On Saturday March 23, 2019 Penny and Fritz Brandau, members of the Black River Audubon Society and the Ohio Bluebird Society, will give a presentation about Eastern Bluebirds at 2pm at the North Ridgeville Branch Public Library. The library is located at 35700 Bainbridge Rd, North Ridgeville, Ohio 44039.

This program will focus on how to choose the right bluebird habitat, what features to look for when choosing a bluebird nest box and how to monitor your nestbox. We will also talk about bluebird predators and competitors and will show video of the family life of bluebirds. Please join us for a relaxing hour and learn how to welcome bluebirds into your life.
